

Sunset Water District

Annual General Meeting

April 16, 2026

5 to 6 pm

324 N Sunset – “in the barn”

AGENDA

- Review the last year and the issues currently before the board
- Financial report
- Reminder to sign up for our notification system
- Potential water shortages and conservation measures
- Potential watering restrictions
- Planned upgrade to electronic water meters
- Need for a rate increase

We encourage all residents of the district to attend this meeting and give us your thoughts on your water system.
